

PROGRAMM

Tuesday, 7th May 2013: Registration and Conference warm-up

Location: 31st floor, Grattacielo Pirelli, via Fabio Filzi 22

18:00 – 19:00 **Registration**

19:00 – 20:30 **Conference warm-up** (finger food and drinks)

- President of ERSAF - The Regional Agency for Agricultural and Forest Services
- Delegate of Lombardy Region
- Participants of COST action FP1204 *“Green Infrastructure approach: linking environmental with social aspects in studying and managing urban forests”*

Wednesday, 8th May 2013 : Conference Day 1

Location: sala Alessi (Palazzo Marino, piazza della Scala 2)

08:30 – 09:00 Registration

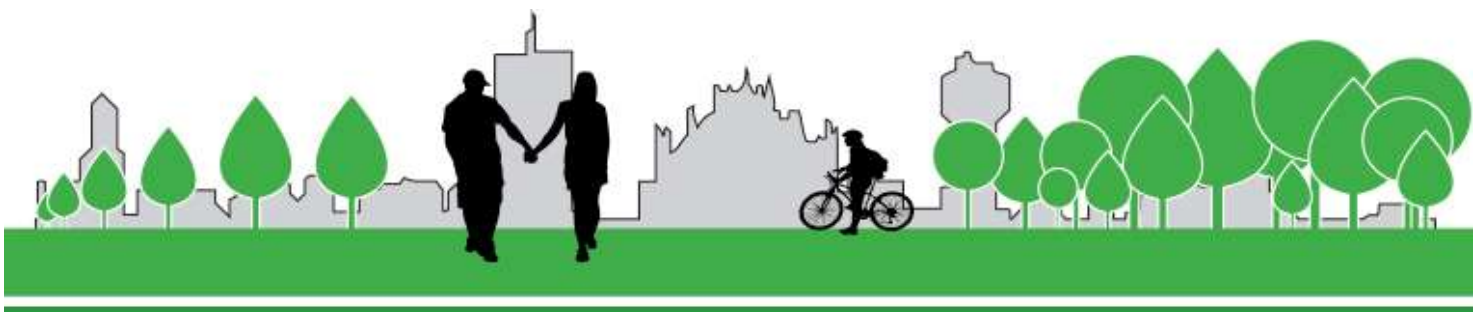

09:00 – 10:45 **Welcome address**

- Chiara Bisconti – Councilor of Milano Municipality
- Director of ERSAF - The Regional Agency for Agricultural and Forest Services
- Cecil Cornelis Konijnendijk - Coordinator of the European Forum on Urban Forestry
- Pia Bucella - Head of DG ENV's Nature Directorate, European Commission
“Green Infrastructure: how the European Commission supports the multiple benefits of Urban Forestry”
- Carlo Calfapietra CNR-IBAF
“COST Action FP1204 - Green Infrastructure approach: linking environmental with social aspects in studying and managing urban forests”

10:45 – 11:30 **Plenary Session:**

Keynote I: Andy Kenney - *“Stewardship of Private Sector Green Infrastructure: Challenges and Opportunities”*

11:30 – 12:00 Mercedes Sánchez – *“How environmental attitudes discriminate the decision structure of suburban natural-area users?”*

Location: Palazzo Lombardia, piazza città di Lombardia

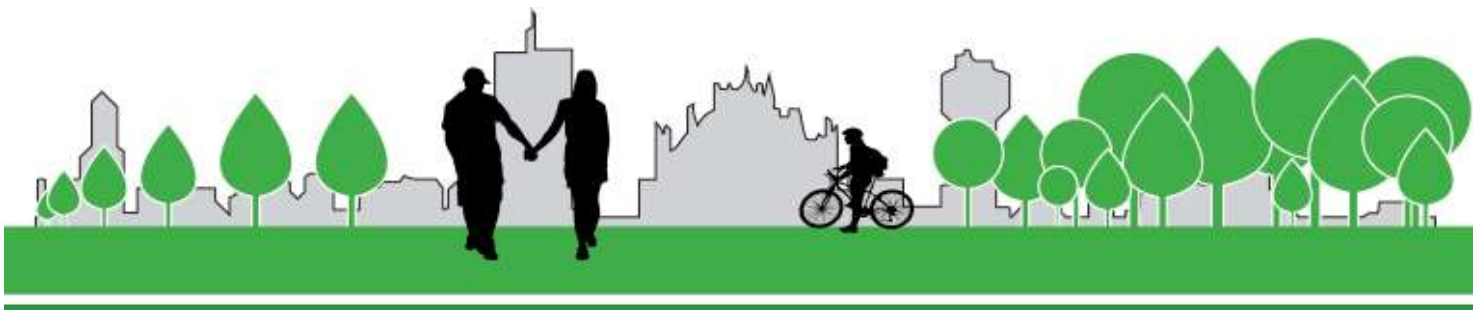

Hall Palazzo Lombardia – sala Marco Biagi

- 13:00 – 14:00 Lunch at sala Marco Biagi and registration
14:00 – 15:00 **Plenary Session: EXPO 2015**
Angelo Paris - General Director Construction & Dismantling (Expo 2015 S.p.A.)
Gianluca Lugli - Senior architect Direzione Construction & Dismantling (Expo 2015 S.p.A.)
Anna Rossi - Project management Water Ways (Expo 2015 S.p.A.)
Gloria Zavatta - Sustainability Leader Expo (Expo 2015 S.p.A.)
15:00 – 18:30 **Field trip: areas EXPO 2015**
18:30 – 19:30 **Peverelli nursery**
19:30 - 20:30 happy hour/dinner at Peverelli nursery

Thursday, 9th May 2013: Conference Day 2

Location: PARCO NORD MILANO (via Clerici 150, Bresso – MI)

- 8:30 – 9:00 Welcome coffee in Parco Nord Milano
09:00 – 09:30 **Plenary session**
Riccardo Gini – Director of Parco Nord Milano
“An history of environmental requalification”
Roberto Carovigno – Agricultural Department of Lombardy Region
“The forestation of agricultural areas in Lombardy Region – Italy”
09:30 -11:30 **Parco Nord Milano tour**
Biodiversity, Participatory management and economic sustainability, Ecological connections, Forest management and forest monitoring, Environmental education and communication
11:30 – 11:45 Inauguration photo exhibition *“Three lines in the «Lama»”*
Poster and vote: *“Best Urban Forestry Project Award - 2013”*
11:45 – 12:30 **Plenary session**
Keynote II - Dagmar Haase *“Ecosystem services provisioning by urban forests and trees - a contribution to human well-being and green economy “*
12:30 – 14:00 Lunch

14:00 – 15:00 Field exercise

15:00 – 15:45 **Plenary session**

Keynote III - Terry Hartig - *“Psychological restoration - An ecosystem service of urban nature”*

15:45 – 18:00 **Parallel Sessions I**

Session S1: Social perspective

Chair: Arne Arnberger

Nail Sylvie *“Social Forestry at the Heart of Health and Well-Being Issues In England”*

Arnberger Arne *“Indoors or outdoors? The role of urban green spaces and outdoor activities for the elderly during heat waves”*

Koukioumi Pelagia Zoi *“Evaluation of the changes at the Alqueva landscape”*

Benamar Samira *“Social expectation in moroccan urban and suburban forests”*

García-Ventura Claudia *“Comparison of two valuation methods for urban trees at the arboretum of the School of Forest Engineers in Madrid”*

Rasmussen Kasper *“Public art, urban green space, urban forests, place branding, management”*

Gonçalves Artur *“Perception and Attitudes towards Public Green Spaces – Exploring the spatial dimension”*

Emre Kuzugudenli *“Natural areas effect on mentally disabled students”*

Session E1: Environmental perspective

Chair: Paloma Cariñanos

Morani Arianna *“Urban forestry and urban design: recommendations for an integrated approach”*

Cariñanos Paloma *“Pollen dynamics, Trends and Evolution of the Peri-Urban Forests in the city of Granada (Spain)”*

Vilhar Urša *“Towards a harmonized monitoring of water provisioning, regulating and purifying services in urban forests”*

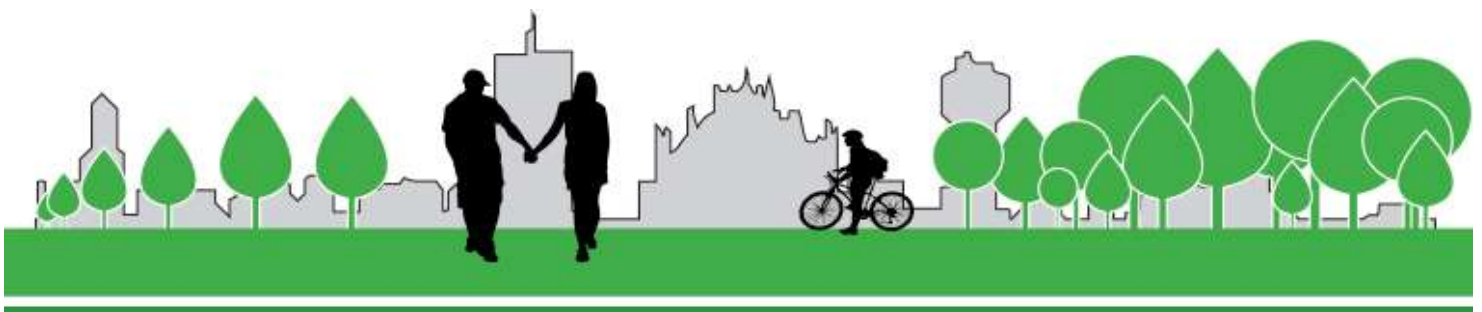

Tarasova Olga *“Fixed outbreaks of insects in urban ecosystems: case study of *Phyllonorycter populifoliella* Tr. (Lepidoptera, Gracillariidae) population dynamics”*

Yiğit Nurcan *“Kastamonu (Turkey) urban forest”*

De Groot Maarten *“The importance of urban forests for biodiversity: hoverflies (Diptera: Syrphidae) as indicators”*

Mariani Luigi *“Micrometeorological effects of an urban forest”*

Gallagher F.J. *“From Blight to Bright, through Phytostabilization”*

Session G1: Governance

Chair: Krajter

Chen Wendy Yan *"Relationship between urban forest cover and economic development: evidence from China"*

Tijanić Andrijana *"Applying urban forest visitor study in the process of the protection of urban forest 'Košutnjak'"*

Güloğlu Yavuz *"Legal Aspects of Urban Forests in Turkey"*

Atkinson Gail *"Practitioner preferences in brownfield regeneration to greenspace"*

Krajter Silvija *"Urban forest governance in the city of Zagreb"*

Noor Azlin Y. *"From plant inventory to improved management of urban forests in Malaysia"*

Bakay Ladislav *"Contemporary Urban woodlands in Slovakia"*

Saukkonen Tiina *"Tell it on a map" – A new GIS based internet inquiry for public participation on Urban Forestry planning in the City of Helsinki"*

Gulsrud Natalie Marie *"Healthy Parks Healthy People: Green Space Place Branding as Metagovernance"*

Kuhns Michael *"Change in Urban Forestry Programs in the Western United States – A Comparison Over 15 Years"*

Session UA1: Urban arboriculture

Chair: Ferrini Francesco

Östberg Johan *"Grading of Parameters for Urban Tree Inventories by City Officials, Arborists, and Academics Using the Delphi Method"*

Gillner Sten *"Comparative analysis of urban tree suitability using dendrochronology"*

Jim Chi Yung *"Floristic and habitat differentiation of heritage trees in Hong Kong's urban forest"*

Ferrini Francesco *"Planning the green city of 2050: species selection in a global change scenario"*

Marion Lena *"Challenges and solutions associated with felling in a mature urban forest in Ljubljana, Slovenia"*

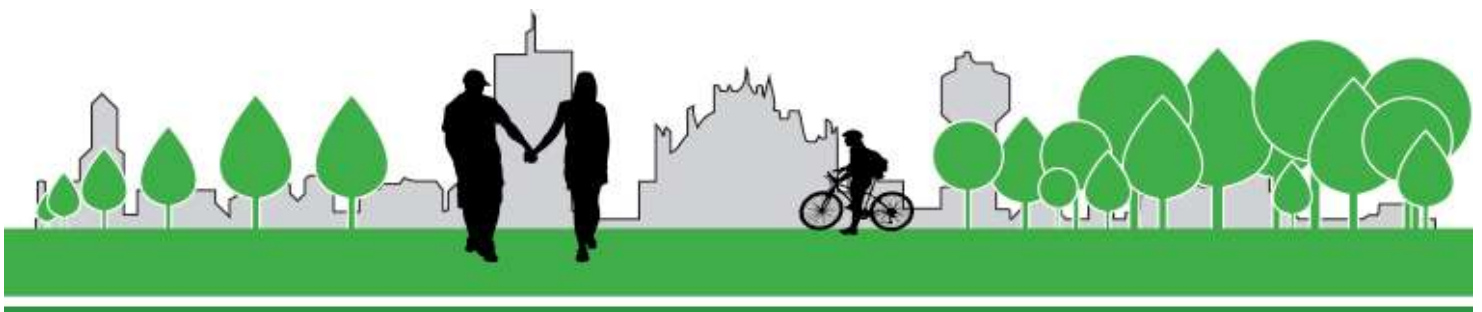

Baietto Manuela *"Evaluation of a portable MOS electronic nose to detect root rots in shade tree species"*

Calaza Martínez Pedro *"Integration of hazard risk assessment in urban tree management. Case study: La Coruña. (Spain)"*

Moricca Salvatore *"Urban forest health assessment under climate change scenarios"*

Rust Steffen *"Regional variation of height growth in six urban tree species"*

18:30 – 20:30 Music and happy hour

Friday, 10th May 2013: Conference Day 3

Location: Palazzo Lombardia, piazza città di Lombardia

Hall Palazzo Lombardia – sala Marco Biagi

08:30 – 09:00 Poster delivery

09:00 – 09:45 **Plenary session: Keynote IV**

Roland Ennos *“The physical benefits of trees in towns, and the effect of planting conditions and species on tree growth and environmental performance”*

09:45 – 10:30 De Vreese Rik *“Social mapping of ecosystem services in a peri-urban woodland landscape in central Belgium”*

Carrus Giuseppe *“Naturalness, perceived restorativeness and affective qualities of urban and peri-urban natural settings and residents’ well being”*

10:30 - 11:00 Coffee break and **Poster Session I**

11:00 - 12:30 **Parallel Sessions II**

Session E2: Environmental perspective

Chair: Matilda Annerstedt

Şevik Hakan *“Effects of Parks on Amount of CO₂ in Kastamonu City Center”*

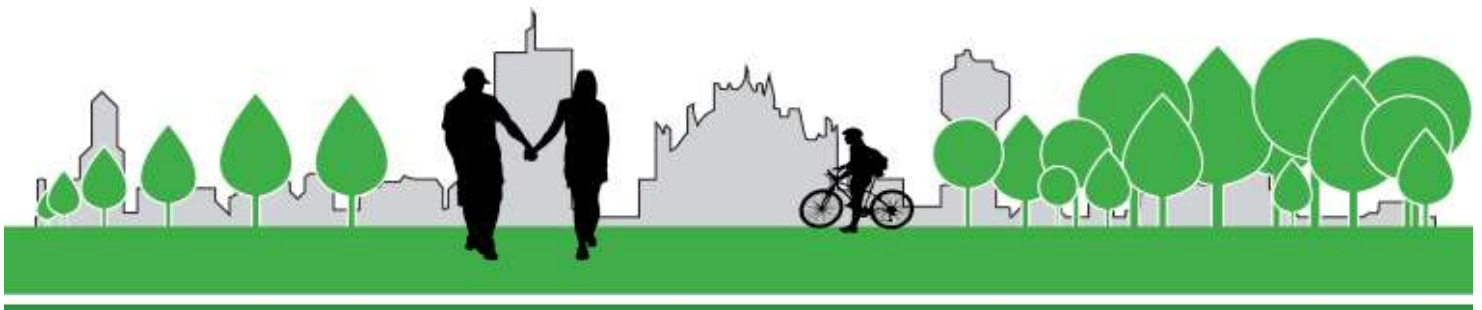

Sgrigna Gregorio *“Particulate Matter mitigation by Quercus ilex in Urban Environment: a quantitative analysis”*

Žlindra Daniel *“Deposition measurements in urban forests through implementation of protocols of ICP-Forests intensive monitoring programme”*

Annerstedt Matilda *“Health effects of urban parks – strength of the evidence”*

Ciampitti Mariangela *“Public awareness: a new tool for the early detection and a successful eradication strategy of the Longhorned Beetles Anoplophora chinensis and A. glabripennis”*

Dušan Jurc *“Improvement of urban forest health monitoring”*

Session M1: Management perspective

Chair: Alan Simson

Tomao Antonio *"Urban forestry for cultural heritage conservation: inventory of tree systems for management of historic parks"*

Chan Chung Shing *"Changing Perspectives in Urban Park Management: A longitudinal Study of Hong Kong"*

Verlič Andrej *"Visitors' perception of visible environmental impacts on and along the walking trail in urban forest in Ljubljana – an exploratory study"*

Leino Aino *"Green Area Program 2011-2020 – Long-term Guidelines for developing, planning, implementing and maintaining the Green Areas using the interactive Planning Process in Vantaa, Finland"*

Rosenbak Marianne *"Improving functionality of green space in compact residential environments"*

Simson Alan *"The Design-Management Continuum : a concept in evolution"*

Session S2: Social perspective

Chair: Isabel Delgado Bueno

Hamm Astrid *"'Tree Psychology' – human perception and cognition of urban trees, and its impact on urban forestry"*

Konijnendijk Cecil Cornelis *"The impact of nature on creativity – a study among Danish creative professionals"*

Duinker Peter *"When citizens have their say: adjusting urban forest management to account for the public's values"*

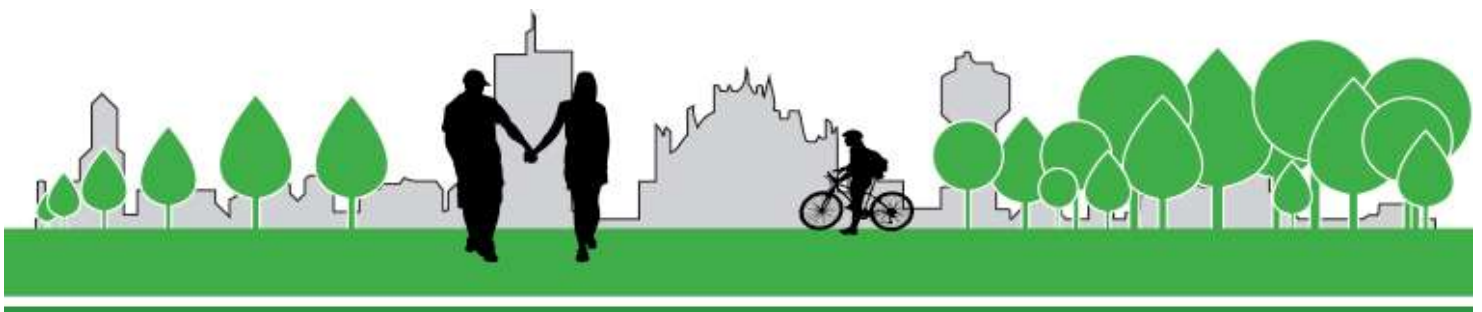

Bueno Isabel Delgado *"Design of an opinion questionnaire about urban trees. Case study of a well-known street in Madrid (Spain)"*

12:30 – 13:45 Lunch

13:45 – 14:45 **Plenary session**

Nielsen Anders Busse *"Species richness in urban parks and its drivers: A review of empirical evidence"*

Chiesura Anna *"Monitoring Green Infrastructure: from an urbanistic to an ecosystem approach"*

15:00 – 16:00 **Parallel Sessions III**

Session E3: Environmental perspective

Chair: Emilio Padoa-Schioppa

Soukhovolsky Vladislav *“Entomo-indication of pollution level in urban ecosystems”*

Pearlmutter David *“Microclimatic effects of trees and vegetative ground cover in a hot-arid urban environment”*

Gerosa Giacomo *“OzONE REMOVAL by a perurban mixed oak-hornbeam forest”*

Padoa-Schioppa Emilio *“Biodiversity monitoring: preliminary results of EMONFUR project in Milano (Italy)”*

Session E4: Environmental perspective

Chair: Ana Paula Ramos

Kasperidus Hans Dieter *“Lebendige Luppe and the challenge to detect and monitor changes in ecological processes and ecosystem services in Leipzig’s urban floodplain forest”*

Ramos Ana Paula *“Pests and diseases threatening urban palms in Portugal”*

Campagnaro Thomas *“Alien tree species and plant diversity in urban and peri-urban environments: the case of black locust”*

Giuseppe Colangelo *“Structural diversity and height growth models in urban forest plantations: A case-study in northern Italy”*

Session M2: Management perspective

Chair: Paolo Semenzato

Semenzato Paolo *“Managing the vegetation of an 1800-century park to preserve its picturesque character”*

Akmar Nor *“Experience characteristics of users’ preferences towards selected malaysian parks”*

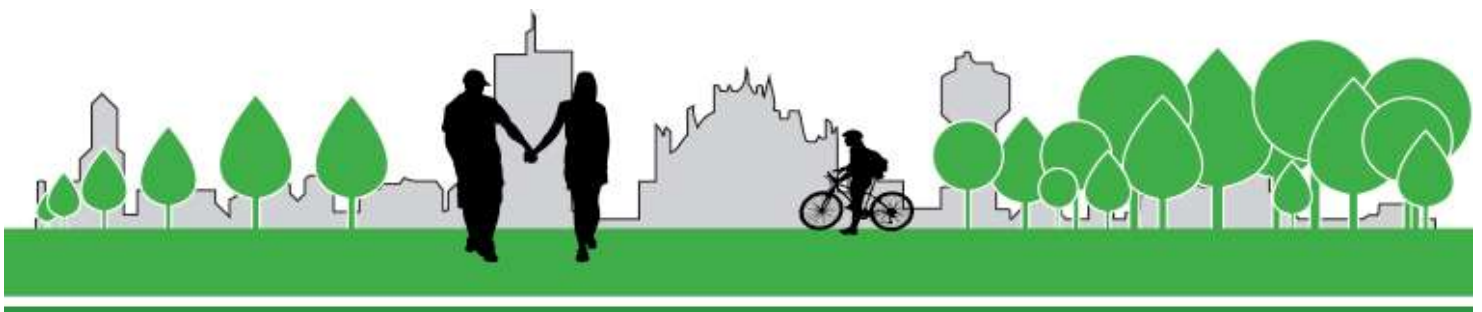

Calvo Enrico *“EMoNFUR Project (LIFE+ 10/ENV/IT/399): inventory of artificial and natural urban and periurban forest in Lombardy Region”*

Löfström Iria *“A comprehensive guide to managing urban forests has been published in Finland”*

Session UC meeting (only for Life Emonfur Project - Italian User Committee)

Session Carta of Milano

16:00 – 16:30 **Poster Session II**

- 16:30 – 17:00 **Final Session:**
EFUF 2014 and 2015
Award of Urban Forestry Project 2013
Award of Young Urban Forester of the Year 2013
Carta di Milano
Closing address
- 17:00 – 18:30 **Fieldtrips to Boscoincittà**
- 20:00 – 24:00 Final dinner (exercises evaluation)

Saturday, 11st May 2013: Conference Day 4 (optional)

Location: Parco del Ticino (by bus)

- 9:00 – 09:30 Welcome coffee at Parco del Ticino
- 09:30 – 10:00 Welcome address – Dott.ssa Valentina Parco (Parco lombardo della Valle del Ticino)
- 10:00 – 10:30 Bogliani Giuseppe (University of Pavia) “*The Ticino valley: an ecological corridor through the Po plain*”
- 10:30 – 11:00 Musmeci Roberto (Parco lombardo della Valle del Ticino) “*Forest Management in the Park “Parco del Ticino”: experiences of reconstitution of the ecological network (afforestation and creation of new agro-forest ecosystems) and improvement of plain forests (plain oak forest conservation and management of invasive alien species)*”
- 11:00 – 12:30 Visit of the natural reserve “La Fagiana” and illustration of forest management interventions
- 12:30 – 13:30 Lunch at Cascina Bullona
